BOARD CHAIRMAN

BOARD CHAIRMAN'S LETTER

Robert Carter Jett's dream of establishing a school that would draw out "that which is noblest and finest" in each student was made a reality when VES opened its doors in 1916. As we prepare to celebrate our centennial year, we give thanks to the countless people who have allowed us to fulfill our mission of guiding students Toward Full Stature.

Bishop Jett would be proud to see what has become of his school, and for good reason. Everywhere you look, from the classrooms to the playing fields, you see the strength of this school, its programs, and its people. I think it begins with talented and dedicated faculty who engage 235 students every day. It includes educational facilities that increasingly offer the latest in technology, such as today's Hight Library. It includes the simple pleasure of buffets and seated meals in today's Harrison Dining Room. It will soon include a renovated Van Every Athletic

“**THE VISION 2016 CAMPAIGN HAS TRANSFORMED MUCH OF OUR SCHOOL’S CAMPUS AND POSITIONED VES AMONG THE VERY BEST PRIVATE SCHOOL EXPERIENCES IN AMERICA.**”

Center, a remodeled Barksdale Annex, and the new King Center for Arts and Leadership. The Vision 2016 campaign has transformed much of our school’s campus and positioned VES among the very best private school experiences in America.

You make it possible. Your gifts to the Annual Fund and Vision 2016, coupled with money realized through our Planned Giving program, provide the support for continuous improvements to our campus and programs. Your generosity funds the future of VES and continuing generations of Bishops,

students who will reach their full stature because of you. I am proud to be serving as Board Chairman of this great institution during an exciting time in its history. I trust you will join me in continuing to support VES and her mission, and I hope you will attend several of the regional and on-campus centennial events taking place over the next eighteen months. Today’s VES is truly a feel-good story. When I now come back to our school, it feels like coming home.

Please come join the celebration.

Sincerely,

Spencer W. Morten III '72
Board Chairman

HEADMASTER

HEADMASTER'S LETTER

Last year was a great one here at VES, and this year is shaping up to be even better. With enrollment at levels not seen in a number of years, financial participation in the Annual Fund strong, and support of our Vision 2016 growing, VES is moving forward nicely. I can't thank you enough for your stewardship of our school and for your continued support of her mission.

VES gets better every year due to the tireless work of countless individuals who have dedicated a good portion of themselves to our community. We are so very fortunate to have a talented and enthusiastic Board helping steer us into our second century. They are joined by those who serve on our Vision 2016 Campaign Executive Committee in helping to ensure the funding needed to maintain and grow our programs and infrastructure is realized. There are also the Class Agents, who work to promote

Garth Ainslie '83

ASSISTANT HEAD FOR ADVANCEMENT

ADVANCEMENT LETTER

I am humbled by the support the school's Headmaster and Board have placed in me as I undertake my new leadership role in the Advancement Department. Over the past several years I have thoroughly enjoyed getting to know so many of you—students, parents, past parents, and alumni—as I worked to strengthen our admissions pool and increase enrollment as the Director of Admissions.

In my new role, I look forward to the opportunity to build upon those relationships

participation in the school whenever and wherever possible. Last, but certainly not least, are all of the alumni, parents, faculty, and friends, who give so freely of themselves. Each of you has enabled us to raise millions of dollars that directly support our greatest resource—our students.

Supporting your efforts are the very capable and committed individuals who make up our Admissions and Development Offices. Their dedication each and every day is evident in the quality of the students we attract and the value of the educational experience they receive.

In an effort to improve the strategic alignment of these two departments I have appointed Garth Ainslie '83 Assistant Head for Advancement, where he will work to find synergies between our admissions and development functions. I am confident that Garth and his team will continue to be good stewards of your generous gifts while continuing to strengthen the pipeline for qualified students.

in my attempt to maintain our position as the best small boarding and day school in the Southeast. VES is thriving because of the support it receives from our parents, alumni, and friends. No flashy branding or expensive advertising can outweigh the impact you have on our admissions and fundraising efforts. From hosting receptions to recommending students, from participating in the Annual Fund to providing for the school in your estate planning, it all matters—and matters a lot.

I hope you will take the time to attend regional receptions when they come to your community. I hope you will continue to steer prospective families

VES is a school filled with tradition. While many things have stayed the same since Robert Jett welcomed the first class onto campus in September 1916, many things have also changed. I invite you to visit the Old 160 to see how vibrant a community we are, to witness for yourself the wonderful transformation our campus has undergone over the past several years. I am so proud of what we have become and am so very optimistic about where we are heading. VES has made great strides over the past 99 years, and the future looks even brighter, thanks to your continued trust and support.

Sincerely yours,

G. Thomas Battle, Jr. '83
Headmaster

our way. And, I hope you will make an effort to visit campus. Our doors are always open. We would love to show you around and give you the opportunity to meet our great students.

Sincerely,

Garth Q. Ainslie '83
Assistant Headmaster for Advancement

TRI-SOCIETIES

VES relies on the charitable contributions of alumni, parents, and friends to sustain its programs. Donors provide annual gifts that fuel day-to-day operations, endowment gifts that generate funds in perpetuity, capital gifts for new and renovated facilities, and planned gifts for the future benefit of students and teachers. In its own way, each type of gift helps VES thrive, fulfilling its mission to guide students toward full stature. To recognize these distinct ways of giving, VES has created three benefactor societies—The Bishop Jett Society, The Langhorne Chapel Society, and The 1916 Society. Many donors belong to all three.

THE BISHOP JETT SOCIETY

The Bishop Jett Society honors those who have made cumulative gifts of \$100,000 or more with assets irrevocably committed or already received by the school. Their generosity is evident throughout campus in named scholarship support, masterships, faculty and staff awards, and in construction, renovation and beautification projects over the years. VES is pleased to celebrate the contribution of these leading benefactors to the continuing prosperity of the school.

“VES HAS HELPED ME LEARN HOW TO BALANCE MY TIME BETWEEN FOCUSING ON ACADEMICS AND TRAINING IN ATHLETICS. I CAN USE WHAT I’VE LEARNED TO SUCCEED IN COLLEGE.”

THE LANGHORNE CHAPEL SOCIETY

The Langhorne Chapel Society recognizes donors who have made planned gifts to the school including bequests, life insurance designations, gift annuities, and charitable remainder trusts. Gifts may be designated for specific purposes, such as scholarships, program endowments, faculty development, or they may be left undesignated to help address the future needs of the school that cannot be foreseen today. VES is pleased to honor today those donors who have provided for the VES of tomorrow.

“ BEING A STUDENT ATHLETE AT **VES** HAS ALLOWED ME TO GROW PHYSICALLY AND MENTALLY ON AND OFF THE FIELD. I HAVE ALSO MADE SOME GREAT FRIENDSHIPS WITH STUDENTS, FACULTY, AND COACHES.”

THE 1916 SOCIETY

The 1916 Society comprises donors supporting school priorities with current gifts. Their donations may be designated for any program, or left entirely unrestricted to give the school the greatest flexibility to meet needs as they arise. The VES fiscal year begins July 1 and extends to June 30 annually. VES is pleased to honor the alumni, parents, and friends who make regular gifts to address the school's day-to-day needs.

THE WILLIAM KING SOCIETY

Col. William King, Jr. served VES from 1916 to 1943 as a member of its Board of Trustees. His tireless devotion to VES and longevity of volunteer service is unmatched. Upon his death in 1943, his estate funded the construction of the William King Field House and doubled the VES endowment. Originally called "Old Guard," those VES alumni at their 50th Reunion are inducted into the William King Society at a ceremony held during Reunion Weekend. All those alumni beyond their 50th will also be known as members of the William King Society. The VES community values and appreciates the shaping influence of these classes.

CLASS OF 2015

VISION 2016

AN UPDATE ON VES' \$32,000,000 CAMPAIGN

We're getting close! Nearly a century ago The Reverend Dr. Robert Carter Jett persuaded a number of influential philanthropists to finance his vision for an Episcopal school designed to evoke from its students "that which is noblest and finest." Woolworth founder F.M. Kirby, railroad magnate Chiswell Dabney Langhorne, Coca-Cola bottler Lettie Pate Whitehead, The Viscountess Nancy Langhorne Astor, and duPont Managing Vice President Hamilton Barksdale participated in bringing to life Jett's dream through extraordinary financial commitments. One hundred years later under the leadership of Headmaster Tommy Battle, Virginia Episcopal School's alumni and friends have continued to honor this tradition of philanthropy. These past five years VES has raised nearly \$27,000,000 of its \$32,000,000 goal to support the school's endowments, annual fund, and six strategic capital projects that will enhance the student experience.

Right: Retired Senior Master James Hopkins with Ed Ivey '02

ENDOWMENT

During the campaign for Vision 2016, VES has raised more than \$3,700,000 for its endowment, exceeding the campaign goal by \$700,000, and has established the following funds for scholarship, faculty compensation, and programs:

- William Sackett White '02 Memorial Scholarship
- Christopher B. Smith '82 Dorm Faculty Stipend, honoring B.K. Mundy II '67
- Diocese of Southwestern Virginia Scholarship
- M. Lee Heath, Jr. '71 Unrestricted Endowment
- Margaret T. Bourne Chair of Science
- John W. Pope Golf Endowment
- James W. Hopkins Chair of English
- James A. Hight, Sr. Archives Endowment
- Charles S. Hamil '56 Endowment for the Classics
- James B. Barber '63 Endowment

AS OF JUNE 30, 2014, THE MARKET VALUE OF THE VES ENDOWMENT WAS \$15,400,000.

ANNUAL FUND

VES' Annual Fund, the most important fundraising initiative at the school, provides unrestricted, discretionary spending for the school's greatest needs, including faculty salaries, housing, professional development, and field trips. Last year the Annual Fund buttressed the school's bottom line by more than \$1,000,000, providing 13% of its overall operating budget. During Vision 2016 more than \$7,750,000 of the \$9,300,000 annual fund goal has been met.

VES recently received a generous annual fund grant from the Lettie Pate Whitehead Foundation to supplement the scholarship program. Lettie Pate Whitehead, an initial benefactor of VES, helped eliminate the school's debt during the Depression.

VES seeks to establish stability and predictability with its annual fund by garnering leadership pledges payable over a period of years.

2014-2015 ANNUAL FUND

\$750,000 of \$1,100,000 has been raised

2015-2016 ANNUAL FUND

\$300,000 of \$1,200,000 has been pledged

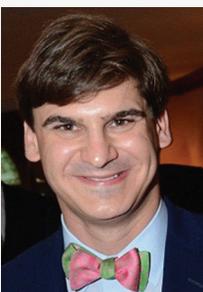

CAPITAL

Vision 2016 strives to fund six strategic capital projects to enhance the student experience in the present and for generations to come:

- The renovation of the William B. Harrison Dining Room, now completed and fully funded
- The renovation of the James A. Hight, Jr. Library, now completed and fully funded
- The renovation of the Nancy Witcher Keen Langhorne Memorial Chapel, now completed and fully funded
- The construction of a new infirmary, now completed and fully funded
- The construction of an indoor athletic complex within the Philip L. Van Every Athletic Center, including the B.K. Mundy II '67 Weight and Cardio rooms, the Robert David Leake Athletic Offices, training facilities, restroom facilities, and equipment storage, a \$1,830,000 project, now completed and nearly funded
- The transformation of the 65-year-old King Field House into the William King Center for Arts and Leadership, containing the 350-seat D. Philip Garney Theater, Dorthy and Lee Thomas '62 Lobby, Class of 1972 Upper Lobby, James Bronwyn Childress Balcony, Tanis and Bill Bowles '72 Stage, Fred M. Kirby Practice Room Suite, Robert Gettys Lesslie Mueller '08 Recording Studio, Pat and Jessica Graney Control Room, Norman Blake Music Classroom, Barbara and Parker Lee '67 Portico, orchestra pit, practice classrooms, stage shop, music director's office, and dressing rooms, a \$8,100,000 project on which construction has begun.

TO REACH ITS CAPITAL GOAL, VES WILL NEED TO RAISE AN ADDITIONAL \$4,000,000 OVER THE NEXT TWO YEARS.

One hundred years after Jett's dream became a reality, 48 years after it pioneered integration for southern boarding schools, and 29 years after its mission to guide boys "toward the full stature of manhood" broadened to encompass girls, VES continues the legacy of Bishop Jett. With your support of our endowments, Annual Fund, and capital projects, VES will be able to begin our second century in a stronger position than ever before.

WOULD YOU PLEASE CONSIDER MAKING A COMMITMENT?

If so, please contact Henry Clarke at hclarke@ves.org / 434.385.3708

VISION 2016

REFLECTIONS ON MARGARET T. AND HENRY C. BOURNE, JR. '40 AND THE ESTABLISHMENT OF THE MARGARET T. BOURNE CHAIR OF SCIENCE

Margaret and Henry Bourne '40 were strong believers in the positive power of education in a person's life. They were devoted to their schools and colleges, including Henry's beloved VES, which Margaret loved as well. I remember very few times that Henry came for board meetings that she was not with him. She was also very involved at her Salem College.

Margaret and Henry were also devoted to each other and were adventurous souls who enjoyed traveling, and Henry wanted to honor his wife as part of his legacy at VES. He selected a charitable remainder trust to

“RELATIONSHIPS BETWEEN GREAT TEACHERS AND THEIR STUDENTS ARE **THE HEART OF AN EXCELLENT EDUCATION** NO MATTER THE ERA, THE FACILITIES, OR THE TECHNOLOGY.”

ensure that each of them had income for life as well as to honor Margaret in a way that was meaningful to them both with the Margaret T. Bourne Chair of Science. Endowing a chair for an educator was very much in keeping with the Bournes' commitment to secondary education, to the sciences, and to those who make such a difference in the lives of teenagers.

Margaret and Henry knew what many of us know, that "people, not buildings, teach" and that relationships between great teachers and their students are the heart of an excellent education no matter the era, the facilities, or the technology. Henry was always a staunch and passionate supporter of VES' academic mission and teachers.

Henry Bourne served as a VES trustee three separate times, and his academic professional background as teacher, dean, and interim president of Georgia Tech along with his student experiences at VES and MIT gave him perspective. While he was one of those individuals who did not speak a great deal in board meetings, other trustees were quick to listen when Henry spoke.

Personally and professionally I learned a great deal from Henry. My wife Mary and I admired and appreciated Margaret and Henry's relationship, devotion to their schools, and friendliness and concern for us and other faculty and staff. ■

Andrew C. Spencer '76

**CHIEF ADVANCEMENT OFFICER FOR
THE LOVETT SCHOOL**

Andrew C. Spencer '76 is the Chief Advancement Officer for The Lovett School in Atlanta. He served as VES' Director of Development from 1987 to 1998 and as a member of its Admissions team from 1981 to 1986.

VISION 2016

Dr. Joy Hilliard & Dr. Tim Courville

PARENTS OF LANDON '15 & SYDNEY '17

Joy Hilliard and Tim Courville are the parents of VES students Landon '15, and Sydney '17.

HOW DID YOU COME TO CHOOSE VIRGINIA EPISCOPAL SCHOOL?

Joy: It sort of chose us. We just came to VES last year. We've been very strong public school supporters for many, many years, and the public schools here in Lynchburg are fantastic. Our son attended middle school here and began high school. He had friends at VES, and we happened to go on a summer trip with one of the families, and my son, well, I think he was recruited heavily (laughs). He came home after that trip and, as a rising sophomore, said, "Mom, I might be interested in transferring to VES."

To be clear, we were not fleeing a problem school situation at all, it's just that we saw a fabulous opportunity.

HAS VES MADE AN IMPACT ON YOUR CHILDREN?

Tim: Yes. We've been extraordinarily pleased with the impact VES has made. Our children have grown both socially and academically, and have matured significantly in their interactions. It can be difficult for young males to find male mentors in academic environments and VES is a repository for that. It's been great.

Joy: What you find is that the kids are in an environment of positive influence both from

the student level and the faculty level. I don't know what the faculty count is here, let's just say it's 30 or so, but I feel like my children have 30 adult parents that they listen to, parents that share our values. The faculty are really in line with what we want academically from our children, and what we want socially and spiritually in their development, and the irony is that my children listen to these people when they don't always listen to me!

WHAT IMPACT HAVE YOU EXPERIENCED?

Tim: For me, personally, it's been wonderful that as a parent, I am recognized on campus, my opinions are asked, and they seem to be listened to. Not just with the administration, but when I sit down with their individual teachers and instructors, they know our children and have insights into our children, and ask for my insights as well. It's been really refreshing from that standpoint.

Joy: It was really kind of a magical transition, partly because we knew people here, and partly because we saw that our children were embraced here socially, and challenged intellectually. And their peer group was what any parent would dream of. I knew that my son, the junk food junkie, was in the right place when he came home and said, "Mom, I think I need to eat more Omega 3 fatty acids."

“ I FEEL PRIVILEGED TO BE ABLE TO OFFER THINGS TO GIVE BACK TO THE SCHOOL BECAUSE OF **THE PRIVILEGE THE SCHOOL GIVES MY CHILDREN.**”

IS THERE ANY PARTICULAR ASPECT OF THE VES EXPERIENCE THAT REALLY STANDS OUT FOR YOU?

Tim: There are two things. One is that the requirement for athletics in a small school environment doesn't allow my children to be bystanders. It requires them to become involved. Not all of us are born natural athletes, and so to be given the opportunity, and actually have it mandated, that you're going to participate in both team sports and individual sports, I find to be very nurturing for the kids.

The other thing is that "Toward Full Stature" is not just a saying. It's not just words at the institution, it's really part of their culture. We have good kids, and if they had been at any other academic environment, they still would be good kids, but what VES allows them to do is to be the best people they can be. For my son to play on the varsity football team on Saturday, then on Sunday to captain a Quiz Bowl team—he refers to himself as the "King of the Nerds"—is not only accepted in this school, it's actually nurtured. I mean, he's encouraged

VISION 2016

by his peers to sing in the Glee Club, to play football, to do academic bowl challenges, and to be whatever he wants to be, to play music, or whatever. And that environment was not what we were getting outside of this institution.

WHY DO YOU CHOOSE TO SPEND YOUR PHILANTHROPIC DOLLARS AT THE SCHOOL?

Tim: Because I see a direct return on investment. In giving a gift to the school, not only is it appreciated by the school, but you can see each dollar at work and the rewards we get from it. A good “for instance” is, dedicating money for an athletic field for the girls to play on, and within one season they’re playing on the field, and it makes a difference in their day-to-day existence.

Joy: Justine and Chris Button are teachers here that I saw touch my kids in a really dramatic way, in a very short period of time. They are

wonderful role models, and celebrated the individuality of the kids.

Chris Button was my son’s AP History teacher. Chris is exacting and demanding, a very high quality individual who expects high quality behavior from the kids. Landon is now very interested in becoming a history teacher himself.

And Justine taught our daughter the importance of team sports, physical activity and good health. Sydney played field hockey, and Justine took the girls on a trip to Charlottesville to see a college game. It was a flat, graded field, and the game was a lot faster. Sydney called it “real field hockey.” The field here at VES was just a regular field, and that was where the thought for our donation came from—we wanted to re-grade the field for the school, and that was sort of our little pet project, and we did it in honor of Justine and Chris Button.

ANY OTHER COMMENTS?

Tim: I guess in summary, my answer would be I feel privileged to be able to offer things to give back to the school because of the privilege the school gives my children. Not every high school education is positive, not all aspects are. In VES’ instance, it has been overwhelmingly positive. ■

Will Pannill '73

VES BOARD MEMBER

Alumnus Will Pannill has been a VES board member for many years. Will also serves on the boards of Martinsville's Carlisle School and Hampden-Sydney College.

WHAT IMPACT DID VES HAVE ON YOUR DEVELOPMENT INTO THE PERSON YOU ARE TODAY?

Will: Well, I made a lot of good friends there, and I learned how to study. I enjoyed my classes, I enjoyed my teachers, and in another environment, that might not have been the case. We had scheduled study halls and teacher work sessions, and those sort of things made it easier to get your work done.

SO THERE WERE HIGHER EXPECTATIONS?

Will: Exactly. Being at VES, I pretty much knew one of the reasons I was there was to get a good education. And also, to be a more well-rounded person, to meet new people from different places.

WHAT HAS MADE YOU STAY ACTIVE AS AN ALUMNUS AND AS A TRUSTEE TO THIS DAY?

Will: I enjoy volunteering for that type of thing. I have the time and I have the desire to help out. I enjoyed my time at VES very much. It meant a lot to me in my teenage years, and I felt like I wanted to help the school continue to do well.

DO YOU HAVE AN OPINION OF WHY OTHERS SHOULD CONSIDER SUPPORTING THE SCHOOL?

Will: Things have changed a lot in the last 45 years, but when I see the students at VES, I see myself 45 years ago. They seem to be happy, all of them seem to be friends with each other, and all of them seem to have a great attitude. It's just something that, if one is able to do it, it's something I can recommend. It's a great experience. ■

Great care was taken to ensure accuracy. If, however, you find an error or omission, please contact the Advancement Office at 434-385-3700.

100 YEARS AGO,
ROBERT CARTER JETT SET OUT TO ESTABLISH
"A SCHOOL THAT WILL DRAW OUT THAT WHICH
IS **NOBLEST AND FINEST** IN EACH STUDENT."

VIRGINIA EPISCOPAL SCHOOL
400 VES ROAD · LYNCHBURG, VIRGINIA 24503
VES.ORG

“

I AM SO GRATEFUL TO ALL OF THE **ALUMNI, PARENTS, FACULTY, AND FRIENDS**, WHO GIVE SO FREELY OF THEMSELVES. EACH OF YOU HAS ENABLED US TO RAISE MILLIONS OF DOLLARS THAT **DIRECTLY SUPPORT OUR GREATEST RESOURCE—OUR STUDENTS.**”

Tommy Battle
HEADMASTER
