*Picture a

A man in a black tuxedo with a white shirt and black bow tie is kneeling on a light-colored stone patio. He is looking down at a black dog with a white patch on its chest. The dog is sitting and looking up at the man. The man is holding a black leash. The background is a blurred garden with green plants and brown leaves. The text "Our space is a blank canvas where you can create the ceremony you've always dreamed of." is written in a serif font in the upper right area of the image.

# A STORYBOOK ENDING

*The magic is real.*

A full-page photograph of a bride and groom walking down a hallway. The bride is on the left, wearing a white strapless wedding dress and holding a large bouquet of white roses. The groom is on the right, wearing a black tuxedo with a white shirt and a black bow tie. They are both smiling and holding hands. The hallway is filled with falling purple and white confetti. In the background, other guests are visible, some looking towards the camera. The lighting is warm and indoor.

*These are  
the moments

forget.*
