The Project

With many people staying home this summer while others hit the road, First Bank capitalized on the moment to advertise its online banking service that allows customers to bank from anywhere. Ads featuring summer staples like sunglasses, ice cream scoops and sunscreen reinforced the online services' capabilities, financial literacy components and security features. The campaign promoted these benefits across the First Bank website, in branches and on digital ads.

Banking when you're on the road. Or not.

Anywhere you go, digital banking keeps you connected to your accounts and the tools you rely on.

Mobile Wallet
Tap and pay with your phone anywhere. Apple Pay[®], Samsung Pay[™] and Google Pay[™] are accepted.

Mobile App
Access your accounts, pay bills and more—all from your phone.

Mobile Check Deposit
Deposit a check anywhere.

Send Money with Zelle[®]
Send and receive money from friends, family and others you trust with Zelle[®].
