The logo features the word "ACERAGEN" in a bold, white, sans-serif font. The letter "A" is stylized, with its left vertical stroke replaced by a DNA double helix. The helix is composed of orange and yellow dots connected by thin lines, curving upwards and to the right. The background is a solid dark blue. On the right side of the image, there is a large, partial graphic of a DNA double helix. The backbones are represented by thick blue curved lines, and the base pairs are shown as orange and yellow horizontal bars and dots.
