Life is a canvas, paint what you want on it.

JoJo Abot

Organization: Carolina Perfoming Arts >

The first thing you notice about Jojo Abot is color: the coral ribbon in her hair in the video to her song “To Li;” the marigold rope and bright green feathers on her head in a recent fashion photo; the neon wig she donned for a performance at the Kennedy Center; the deep black lipstick that matches the shade of her eyes. Be it on stage, in a photoshoot, or a candid Instagram photo, she drapes herself in a palette that is vibrant and saturated. Those ever-shifting explosions of color hint at the wide range of talents and interests that have marked her creative life.
