

Zero monthly fees
No minimun balance
No transaction fees

No-fee banking designed specifically for gig workers, freelancers and independent contractors.

The gig economy can be tough. GigMoney can help make things easier.

We've partnered with some of the biggest names in the gig economy to facilitate instant deposits to your GigMoney account. With Wage Advance, funds get transferred to your account up to two days sooner with direct deposit.

Tools to help gig workers survive and thrive.

Learn About Tools

Receipt capture

Capture and upload receipts on-the-go. Assign expenses, mileage and more to every gig.

Track and plan for expenses

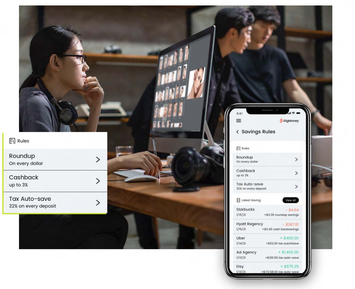

With GigMoney you can categorize, track and analyze earnings and expenses across multiple platforms like Quickbooks and Etsy.

Round up to build savings

GigMoney tracks your debit card purchases and automatically rounds up to the nearest dollar. Use the money to cover shortfalls when they arise.

Auto-save for taxes

Set up GigMoney to set aside a percent of each deposit to help you reach your tax savings goal.

Earn up to 3% cash back on daily purchases.

GigMoney members get recognized and rewarded for everyday purchases. Just use your debit card at your favorite qualifying stores to earn cash fast.

Get Rewarded

Join the community.

Being a for-hire solo professional can be lonely. That's why we created a forum for gig workers to chat online, compare experiences and get helpful tips for financial success.
