Transfer money to anyone. Anywhere. In an instant.

Juntos makes it easier than ever to support family anywhere they live—or pay for expenses wherever you are—with a few simple taps on our app. No more checks, no more money orders, no more high fees. Juntos makes sending money a breeze.

How It Works

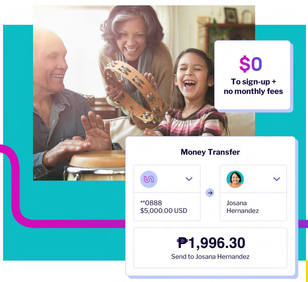

Use the Juntos app to:

Send money to family or another bank account.

Receive payments instantly through direct deposit.

Split funds across all your cards with ease.

Spend wherever Visa or Mastercard are accepted.

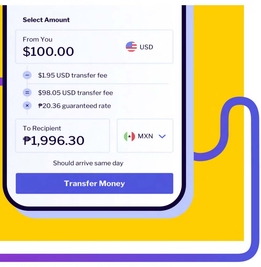

Less fees for us. More money for you.

Transferring money internationally usually means paying high fees. At Juntos, we understand the true value of every dollar you earn. So we take pride in always keeping our fees among the lowest available anywhere.

Send money home, wherever home is.

Juntos makes it fast, simple and reliable to transfer money at home or abroad. With no hidden fees, and no confusing conversion rates. Choose from a wide selection of currencies. Select the recipient. And off your money goes. Simple as that.

Full support. Total flexibility.

With Juntos, you control your money. But we're always there with around-the-clock support, ready to help with whatever you need.

Don't Wait. Get Paid.

We'll make sure your paycheck is deposited directly into your account up to two days earlier. So you'll have your money when you need it most: right now.
