

Over $10 million saved with Scurry.

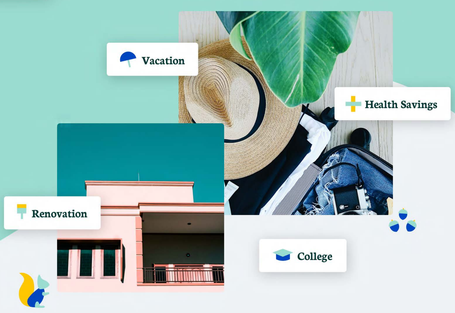

Scurry helps families like yours save for what matters.

How It Works

Finally, a savings account that fits your family.

Whether it's home improvements or a Hawaiian vacation, Scurry helps you organize your money and visualize whatever you're saving for.

Built-In Budgeting Tools

Explore the benefits of Scurry.

Competitive Rates

Scurry's all-in-one account comes with the most competitive rates. Band together to boost the rate – the more family members who join, the more interest you'll earn.

ID Theft Protection

Scurry protects your savings and your identity. ID theft protection is included for everyone on the account.

Transfer Funds

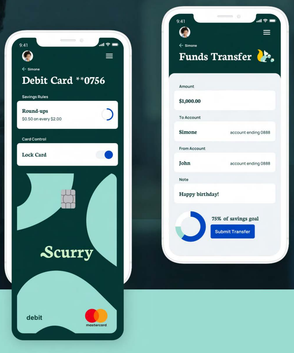

Scurry lets you transfer funds in and out of your account on your terms, plus split the difference on bills and payments.

Digital Tax Advisor

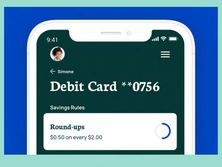

Free access to Scurry's digital advisors means you you get the support for all of your family's finances, even taxes.

Flexible controls for the whole family.

Scurry is the saving tool for the whole family–even the kids. Multiple management tiers and flexible controls let parents and grandparents share savings when it's appropriate and when kids meet savings goals, complete chores or earn an allowance. Everyone is empowered to save, but you're in control.

Build savings with boosters.

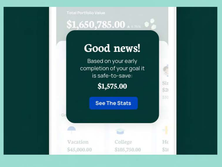

Round up

Scurry can track your debit card transactions, round up to the nearest dollar and transfer the money.

Get Bonuses

Set a goal and save for it. Everytime you reach a saving goal, you earn bonus interest.

Surprise Savings

We analyze your accounts for safe-to-save money, then transfer it to your savings so you don't have to.
