THE AI SUMMIT NEWYORK

Thanks for joining us at The AI Summit!

Hi [Customer's Name],

The AI Summit was jam packed with ways to leverage AI for practical and profitable applications. But which AI applications are right for your business objectives? This is where Lenovo can help.

When you partner with Lenovo, you benefit from our comprehensive suite of AI solutions, services, and products that can expedite and streamline your digital transformation.

- **AI Solutions that Scale** – Our tailored AI services can help your organization harness the full potential of AI, from operational efficiencies to driving innovation.
- **Data-Driven Transformation** – We can help you leverage your data to significantly enhance decision-making and deliver meaningful business outcomes.
- **Strategic AI Partnership** – Lenovo is committed to being a partner on your AI journey, providing expertise and resources aligned with your unique challenges and goals.

Ready to take a deeper dive to uncover the best AI use cases for your organization? Schedule a meeting with our AI solutions team.

Hi [Customer's Name],

Thank you for taking the time to meet with us. It was great to learn more about [specific pain points or goals discussed during the meeting].

Based on our conversation, here are the key takeaways:

- **[Key Point #1]**: [Summary of their challenge, need, or priority].
- **[Key Point #2]**: [Relevant insights or potential solution discussed].
- **[Key Point #3]**: [Additional opportunity or action point].

To move things forward, I'd recommend:

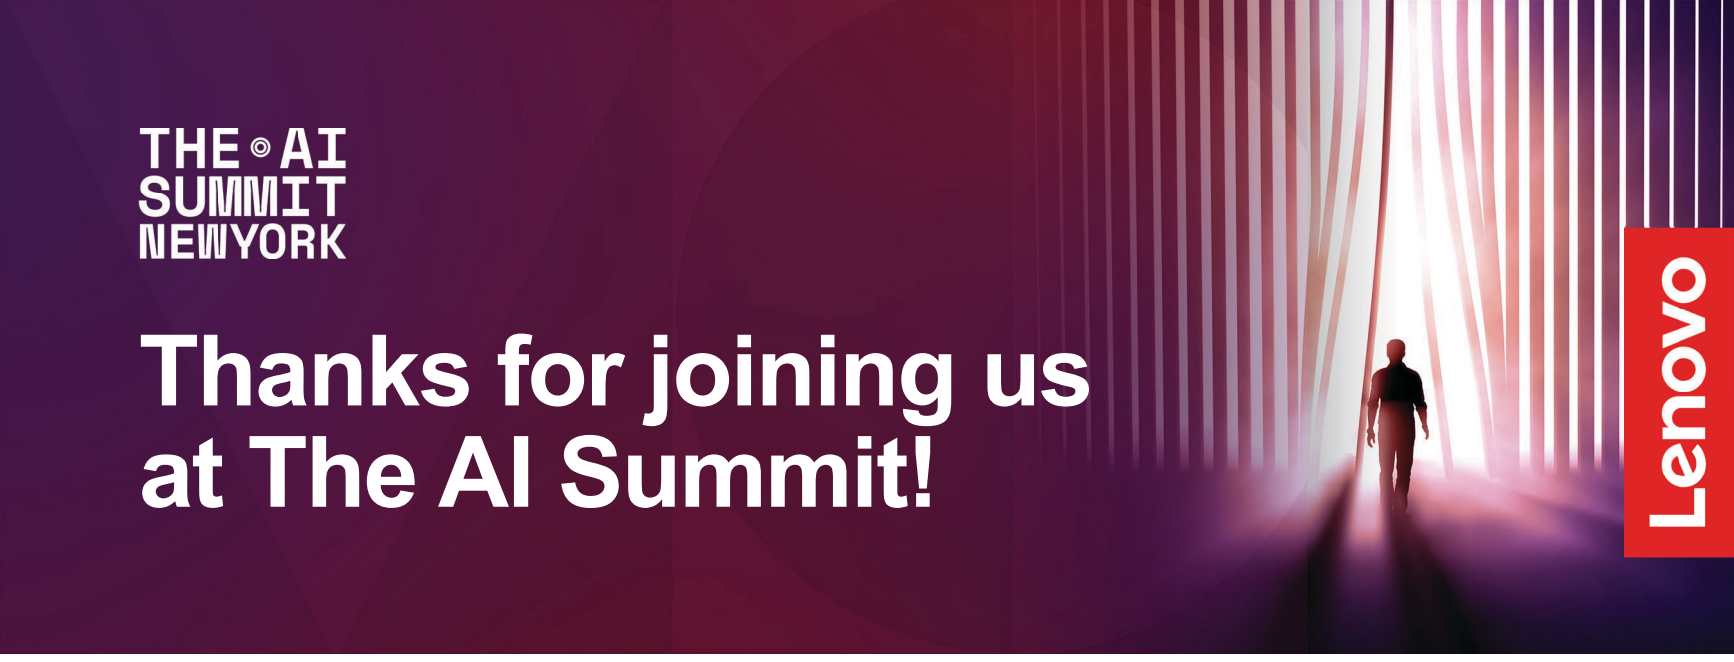

1. **Schedule a Follow-Up Discussion**: Let's dive deeper into [specific topic or solution].
2. **Review Supporting Materials**: I'll send over [case study, demo, white paper, etc.] to provide more context.

Please let me know a time that works best for you to reconnect, or feel free to share any additional thoughts or questions.

Looking forward to continuing the conversation and helping you achieve [specific outcome or goal].

Hi [Customer's Name],

Thank you for joining Lenovo's VIP Lunch at the AI Summit. It was a pleasure meeting with you and hearing about your AI and digital transformation goals.

At lunch, we explored how Lenovo's expertise in AI, data solutions, and digital transformation can help organizations like yours stay ahead in an evolving tech landscape by empowering:

- **Impact with AI** – Taking a practical approach for implementing AI to create business value.
- **Data Strategy** – Leveraging data to improve decision-making and accelerate growth.
- **Customized Solutions** –Tailoring solutions to support each organization's unique needs and goals.

As a next step, let's continue our conversation and dive deeper into specific areas:

1. **Schedule a Consultation** – Meet with our AI specialists to discuss tailored solutions for your organization.
2. **Share Additional Resources** – I will send over case studies, solution briefs, or demos that align with what we discussed.

Please let me know a convenient time for us to reconnect, or feel free to reach out directly if there's anything specific on your mind. We're excited about the opportunity to work together and help bring your AI vision to life.

Thanks again for your time, and I look forward to staying in touch.

Best regards,

[Your Name]
[Your Position]
