

Power your goals with Smarter AI For All

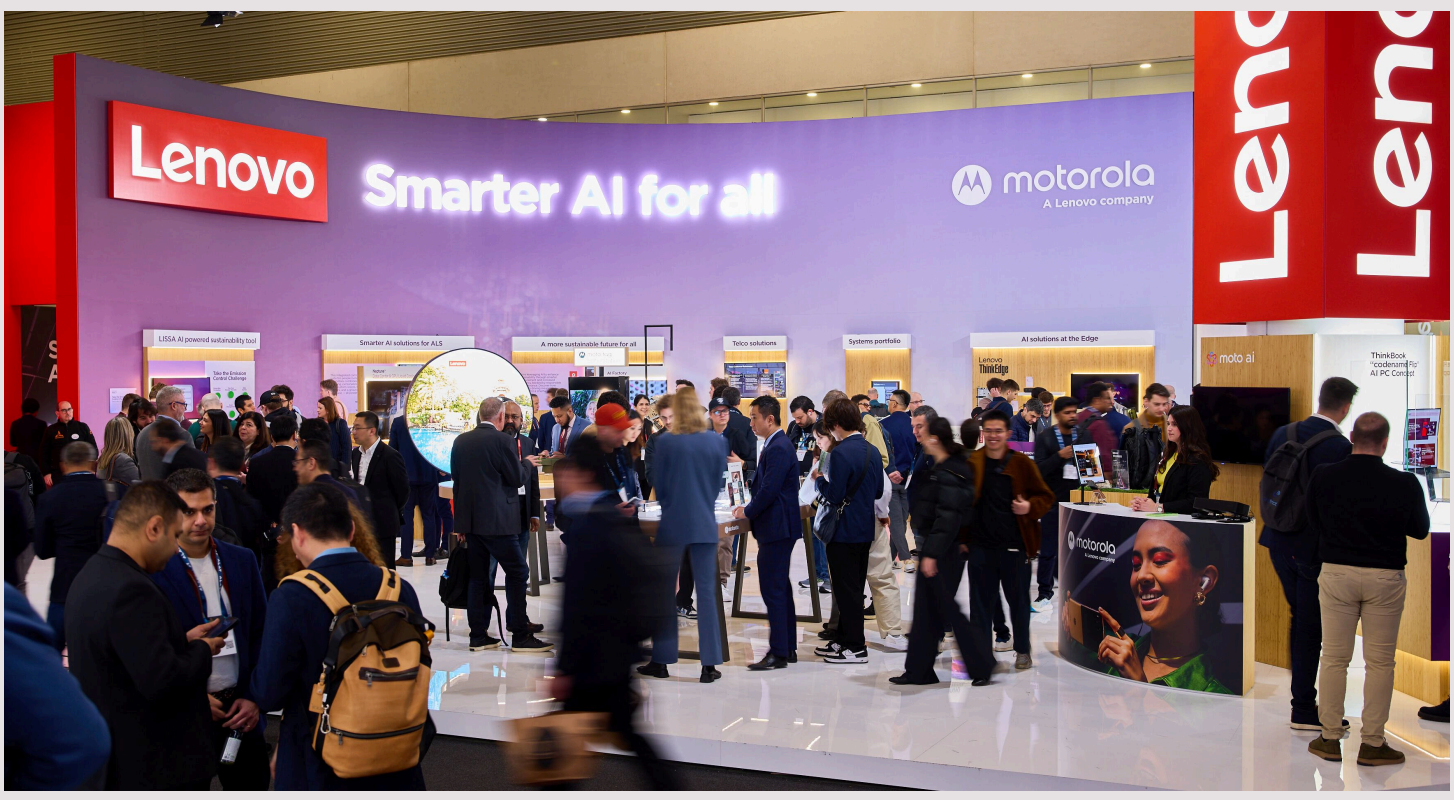

[Name],

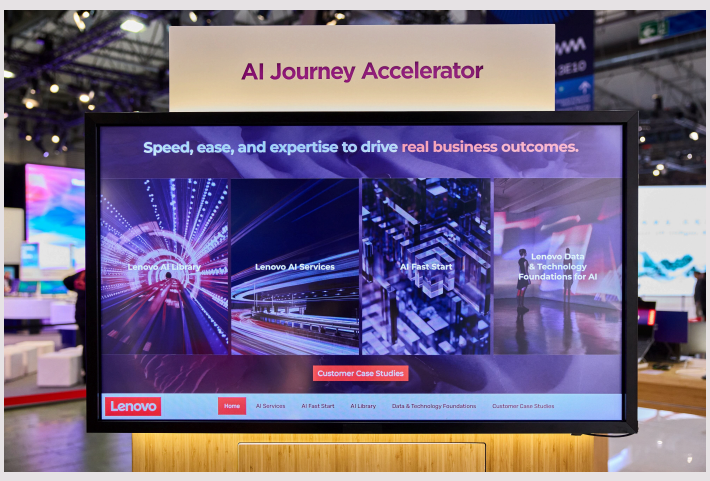

It was great meeting you at Mobile World Congress!

As you saw in Barcelona, Lenovo offers a diverse ecosystem of hybrid AI capabilities with the widest portfolio in the market. Which means we can help you wherever you are in your AI journey.

Our comprehensive AI Services and portfolio include use cases to get you up and running so you can unlock business outcomes faster. Plus, the Lenovo Intelligent Sustainability Solutions Advisor (LISSA) provides you with AI-powered recommendations to support your IT decarbonization goals.

Snapshots from MWC25

Ready to achieve more with AI?
We'll be in touch to chat about how the Lenovo Hybrid AI Advantage can help!
